

## DISCLAIMER POLICY

By accessing and using the **Traul** website, mobile applications, and services (collectively, "Traul Apps"), you acknowledge that the information provided is for general informational purposes only, and while we strive to ensure the accuracy and reliability of the content, we make no guarantees regarding its completeness or suitability. The services are provided "as is" and "as available," with no warranties, express or implied, including, but not limited to, warranties of merchantability, fitness for a particular purpose, or non-infringement. Traul is not liable for any damages, losses, or expenses arising from the use of the platform, including direct, indirect, incidental, or consequential damages. The content on the Traul Apps does not constitute professional advice, and you should seek appropriate professional guidance when necessary. Traul acts solely as an intermediary platform connecting users with service providers. We are not responsible for any delivery failures, service interruptions, or issues arising from the actions or omissions of service providers using the platform. Traul is not responsible for third-party content or services linked from the platform, and your use of such links is at your own risk. We reserve the right to update or modify this Disclaimer Policy at any time without prior notice, and any changes will be effective immediately upon posting. This policy is governed by the laws of [Insert Jurisdiction], and any disputes will be subject to the exclusive jurisdiction of the courts in [Insert Jurisdiction]. By using the Traul Apps, you agree to the terms outlined in this Disclaimer Policy. Users are responsible for providing accurate and complete information when using the Traul Apps. Traul is not liable for any issues, delays, or failures resulting from incorrect or incomplete information provided by users. If you do not agree with the Policy, please refrain from using the platform. For any questions or concerns, please contact us via the support page of the Traul Apps.
